DEPOT'S CIVILIAN POSITION ADVISORY COMMITTEE (CPAC)
COMPLETING INITIAL REVIEW
OF REVISED POSITION / JOB DESCRIPTIONS

In December 2005, a process was launched to permit the review and revision of civilian position descriptions (for GS positions) and job descriptions (for Federal Wage System positions). Approximately 90 civilian position and job descriptions were reviewed and revised as a result of this initiative between the Marine Corps Recruit Depot Parris Island and AFGE Local 0429, known as "The Plan". Based on notes from professionally-facilitated meetings between employees and supervisors, HRO staff members drafted revised PDs and JDs for review by employees and their supervisors to make sure that edits reflected the agreements that were reached. Once approved by employees and supervisors, the revised position and job descriptions were sent to the Department of Navy Human Resources Service Center -- Southeast Region ("Stennis") for classification review.

All of the revised position and job descriptions have been returned by Stennis. Those for which there was no change in grade level are being implemented and employees will be reassigned to the new, revised position description without further review. As agreed upon and decided at the outset of this initiative, position and job descriptions returned with classification advisory involving an upgrade are being reviewed by the Civilian Position Advisory Committee. The CPAC, chaired by Assistant Chief of Staff G-1 LtCol Ray Ganas, invited the AFGE Local 429 to attend CPAC meetings when presentations were made by supervisors to the members of the CPAC concerning positions in the bargaining unit. All revised position/job descriptions with advisories for "upgrade" are being reviewed to determine if the revision in duties are necessary and, if so, how the additional costs can be funded.

The purpose of The Plan is to ensure that civil service employees are assigned to current and accurate position / job descriptions and are paid at the appropriate rate. General LeFebvre, the new Commanding General of the Marine Corps Recruit Depot / Eastern Recruiting Region, has expressed great interest in making sure that this initiative is completed correctly and expeditiously.

ABOUT RECRUITMENTS THROUGH Dept of Navy's "CHART"

HOW DO I APPLY FOR CIVIL SERVICE JOBS IN NAVY AND MARINE CORPS USING "CHART"?

* You must submit your resume' to the CHART database in order to apply and be considered for CHART job announcements. It is FAR PREFERABLE to get your CHART resume' in the RESUMIX database NOW rather than waiting for a particular position to become vacant.

* Frequently check the CHART website for additional information regarding the effective date of the change. The website address is: <https://chart.donhr.navy.mil>.

* Log into your CHART account, click on MY RESUME and review each section of your resume to ensure it is complete and up-to-date. New choices are being added to some of the menus.

* After you have made sure your resume is complete, click on SEARCH FOR JOBS to find a new job opportunity announcement you wish to apply for.

* SUBMIT your updated resume.

* Use the APPLY NOW feature to use your updated resume already on file to apply to additional announcements. The APPLY NOW feature will work for any announcement except those where the announcement number ends in -DE or -NR.

* Be sure to read the [Quick Tips and FAQs](#) that are posted within CHART. These provide detailed information about how to use CHART to search for and apply to DON announcements.

* Need to know what the qualifications are for a job you're interested in? Or do you need help in finding out the right words and terminology to use in your CHART resume? Try going to the www.opm.gov website and looking at terms used in the classification standards and qualification standards for the series and grade level of the position(s) you're interested in.

WHAT ELSE DO I NEED TO KNOW ABOUT "CHART"?

* Open-continuous announcements (which start with "DON") are for ALL of the Department of Navy.

* When the HRSC--SE needs to announce a position that's not covered by a Navy-wide open continuous announcement, a stand-alone announcement open for a specified period of time will be published. Stand-alone announcement numbers will start with EA, SE, or NW.

* Your resume will remain active in CHART for 6 months and you can submit it to apply to the new announcements.

* Be sure to include the CORRECT SERIES of the position(s) for which you want to be considered. Failure to include the correct series may be a "fatal screen out" factor for further consideration.

* Be sure to include the LOWEST GRADE LEVEL OR PAY you are willing to accept. Some employees have shown the desired grade level or pay only to learn, too late, that doing so automatically screened them out of further consideration for lower-graded positions in which they would have been interested.

* Use dashes (-), not slashes (/), when entering dates in your CHART resume'.

* If you go into MY STATUS in CHART, it will say that your resume has been submitted for a specific job and gives the job location number, but not the actual location. You can find out what the actual location of the job is by contacting the Employment Information Center at DSN 245-5733 or by contacting the Webmaster at the bottom of any e-page in CHART. OR you can go to www.neds.daps.dla.mil/Directives/notices/5400_3.pdf (the Standard Navy Distribution List, Shore Address Listing); push Ctrl + F keys; type in the job location number and it should highlight the command. The number is actually the Unit Identification Code but

the listing is not all inclusive. For instance: 00263 is for the MCRD but that number is not in there.

* To find ALL civil service jobs being filled in the "Tri-Command", go to the CHART website and click on "SE" (for southeast) and ALL of the announcements appear. If you have any "tips" that you've learned about CHART, please let us know and we'll be glad to publish them!

WONDERING WHY YOU DIDN'T GET REFERRED FOR A CIVIL SERVICE JOB?

Effective immediately, the Dept of Navy Employment Information Center is addressing issues related to qualifications and non-referrals. If you have questions about why you weren't referred for a civil service job or if you received a notice that you were not qualified to for a civil service position in CHART, you can forward your inquiry to the Employment Information Center by using one of the methods listed below.

Applicants can send their inquiries through the Contact the Webmaster Link located at the bottom of the CHART home page, <https://chart.donhr.navy.mil> or they can call 1-800-378-4559 or DSN 245-5733.

The hours of operation for the Resume Intake and Employment Information Center are Monday through Friday 9:00AM TO 8:00 PM EST.

ABOUT RECRUITMENTS THROUGH THE U.S. OFFICE OF PERSONNEL MANAGEMENT Delegated Examining Unit (DEU) PROCESS

Some civil service positions are filled by the "DEU" recruitment process, especially positions that are hard-to-fill through with current civil service employees or other eligible candidates through "CHART".

To see (and apply) for jobs being filled through "DEU" at ALL Federal government agencies, go to www.usajobs.opm.gov. Be sure to follow the application instructions on the individual job announcement carefully as there are often different application processes at different government agencies!

For civil service positions being filled through the "DEU" process in Dept of Navy / U.S. Marine Corps only, you can also go to <https://chart.donhr.navy.mil>.

ABOUT RECRUITMENT OF VETERANS

We get a lot of questions from applicants for civil service employment that are currently on or have previously been on active duty military service. Applicants for civil service positions who have active duty military service...

-- May have civil service "status" and be eligible for recruitment through CHART under the Veterans' Readjustment Act (VRA) or the Veterans' Employment Opportunity Act (VEOA).

-- May be entitled to "veterans preference" for recruitment through OPM's DEU

Additional information about VRA / VEOA eligibility and Veterans Preference can be found at <http://www.opm.gov/veterans/html/vetguide.asp#6>
<http://www.opm.gov/veterans/html/vetguide.asp>.
